

WINTER PRODUCTS

ANTIFREEZE

Long Life Antifreeze & Coolant + 50/50 Prediluted

FEATURES & BENEFITS

- Provides maximum protection for 5 years or 150,000 miles when a complete cooling system flush and fill is performed
- Silicate-free; Phosphate-free
- Safe for use in all engine metals, including aluminum
- Maximum Freeze-Up Protection to -84°F Boil-Over Protection to +276°F
- Compatible for use in all automobiles and light duty trucks
- Meets ASTM D-3306 and ASTM D-4340

Antifreeze & Coolant + 50/50 Prediluted

FEATURES & BENEFITS

- Provides superior rust and corrosion protection for all metals including aluminum year-round
- Meets heavy duty standards for low silicate antifreeze
- For all automobiles, diesel engines, and heavy duty equipment that use green antifreeze
- Maximum Freeze-Up Protection to -84°F Boil-Over Protection to +276°F
- When used in heavy-duty applications, the addition of a separate Supplemental Coolant Additive (SCA) is recommended at initial fill and when topping off. See your owner's manual for engine manufacturer's requirements

Lifetime Antifreeze & Coolant + 50/50 Prediluted

FEATURES & BENEFITS

- Provides guaranteed LifeTime protection *See package for details
- Formulated for use in all American, Asian and European automobiles
- Phosphate-free and silicate-free
- Can be used to top-off any color of automotive antifreeze including green, yellow, orange, fuchsia, blue and red
- Meets ASTM D-3306 and ASTM D-4340

WINDSHIELD WASH

Windshield Wash

FEATURES & BENEFITS

- Leaves your windshield clean and streak free
- In Spring and Summer it effectively and economically removes stubborn road grime, bugs and tree sap
- Safe to use in any vehicle
- Available in 0°F, -20°F, -25°F

RV Antifreeze

FEATURES & BENEFITS

- Protects from extreme freezing temperatures to -50°F
- Ready-to-use winterizer for RVs, boats, cottages, pools, and more
- No mixing required, can be used full strength

Windshield Wash Concentrate

FEATURES & BENEFITS

- Leaves your windshield clean and streak free
- Customize your fluid by following the label mixing instructions for seasonal conditions
- In Spring and Summer it effectively and economically removes stubborn road grime, bugs and tree sap
- In winter, it clears away frost, road splash, and can help prevent reservoir freeze-up down to -25°F
- Safe to use in any vehicle

Windshield De-Icer & Cleaner

FEATURES & BENEFITS

- Specially formulated to provide outstanding year round performance
- Leaves your windshield clean and streak free
- In Winter, it clears away frost and road splash, and can help prevent reservoir freeze-up down to -25°F
- In Spring and Summer, it effectively and economically removes stubborn road grime, bugs and tree sap
- Safe to use in any vehicle

WINTER PERFORMANCE PRODUCTS

Isopropyl Gas Line Antifreeze FEATURES & BENEFITS

- Specially formulated to be much safer than methanol-based products
- Provides outstanding year round performance and protection, especially for newer vehicles with fuel injected gasoline or diesel engines
- In Winter, it prevents fuel line and fuel tank freeze-up to avoid stalling and loss of power
- Year round, it absorbs and removes water and condensation to inhibit corrosion and maintain optimum performance
- Complies with federal low sulfur content requirements for use in diesel motor vehicles and non-road engines

Methanol Gas Line Antifreeze FEATURES & BENEFITS

- Provides outstanding year round performance and protection for all gasoline and diesel engines
- In Winter, it prevents fuel line and fuel tank freeze-up to avoid stalling and loss of power
- Year round, it absorbs and removes water and condensation to inhibit corrosion and maintain optimum performance
- Complies with federal low sulfur content requirements for use in diesel motor vehicles and non-road engines

Premium Starting Fluid FEATURES & BENEFITS

- Has a high concentration of ethyl ethers to quickly and effectively start all types of gasoline and diesel engines, even under the most severe weather conditions
- Contains upper cylinder lubricant to reduce wear
- Complies with federal low sulfur content requirements for use in diesel motor vehicles and non-road engines

Premium De-Icer FEATURES & BENEFITS

- Special formulation combined with powerful spray quickly melts ice and frost on car windows and headlights to improve driving safety
- Thaws frozen locks and windshield wipers.
- Safe for most car finishes; avoid spraying directly on painted surfaces
